### 募集要項

#### Company and Job Overview

Foreign company is looking for Quality Manager to join their dynamic team.

#### Job Responsibilities

- Conduct various internal tests on furniture products/packaging to ensure they meet specified standards.
- Oversee product inspections and prepare detailed reports.
- Identify and report potential areas for improvement in the factory to the QA Engineer.
- Engage with suppliers to discuss inspection findings post-inspection.
- Supervise the QC team in preparing monthly reports to analyze defects and recommend supplier improvements.
- Ensure availability of all technical documents, approved samples, and swatches during final inspections.

#### Job Requirements

- Minimum of 10 years of experience in product quality inspection within the home furniture industry.
- In-depth knowledge of home furniture construction, design, and stability.
- Extensive experience in factory and process audits.
- Expert technical knowledge of furniture, processes, and methods.
- Familiarity with the Qarma system.
- Proficiency in Microsoft Office (Word, Excel, PowerPoint).
