募集要項

An exciting opportunity has arisen for a Senior TA role in the Industrial / Manufacturing industry. The successful candidate will be instrumental in shaping and driving the Human Resources department.

Client Details

This position is available at a large, global organization in the Industrial / Manufacturing industry. With a commitment to innovation and excellence, they have a strong presence across multiple countries. Their dedicated teams work together to create sustainable, high-quality products that positively impact the world.

Description

- Collaborate with hiring managers to understand job requirements and create suitable job descriptions
- Evaluate and select appropriate recruitment channels
- Screen and shortlist potential candidates
- Conduct interviews and assess candidate suitability
- Ensure compliance with employment laws and company policies
- Participate in employer branding initiatives

Job Offer

- A competitive salary package ranging from 6,300,000 JPY to 8,500,000 JPY
- A rewarding career in a large global organization
- Opportunities for professional growth and development
- A work environment that values diversity and inclusion

We invite all suitable candidates to apply and join our team in shaping the future of the Industrial / Manufacturing industry.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Momo Liu on +81 3 6832 8692.

スキル・資格

- Proficient knowledge in talent acquisition strategies and practices
- Experience in the Industrial / Manufacturing industry is a plus
