募集要項

Full-remote accounting position to lead IPO preparation at a Japanese tech startup | Work flexibly, collaborate with the global team

Client Details

A Japan-based technology company develops digital solutions for the hospitality sector, helping accommodation providers streamline operations and enhance guest experiences. Established in the mid-2010s, the company offers an integrated platform that supports various management and automation needs. Its technology connects with major industry platforms, enabling smoother workflows and improved efficiency. By leveraging automation and digital tools, the company helps businesses optimize processes and improve customer interactions. With a focus on continuous innovation, it continues to expand its presence in the market.

Description

- Manage financial closings and reporting.
- Ensure compliance with regulations and audits.
- Oversee tax filing and advisory coordination.
- Handle budgeting, cost control, and financial planning.

- Manage stakeholder relationships and fundraising.
- Support IPO processes and regulatory requirements.

Job Offer

- Fully remote, work flexibly anywhere

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Karisa Djohan on +81 3 6832 8605.

スキル・資格

- Experience in financial closing or IPO preparation at a listed or pre-listing company.
 - Background in IPO support at an audit or consulting firm.
 - Proficiency in Japanese and business-level English.
 - Adaptable, proactive, and self-motivated.
 - CPA or equivalent accounting qualification.
-
