### 募集要項

This position will be essential for helping the company expand into new markets and product lines. Additionally, it will involve providing excellent customer service and maintaining strong relationships with customers, manufacturers, and sales representatives. Moreover, the candidate must be a positive, energetic leader who can work effectively in a collaborative environment.

#### Qualifications:

- Bachelor's degree
- Experience using sales tracking or customer relationship management (CRM) software
- Prospecting and lead generation and nurturing experience
- Communication skills, negotiation and collaboration

#### Job Responsibilities:

- Drives business by identifying and selling prospects and maintaining relationships with clients.
- Enhances staff accomplishments and competence by planning the delivery of solutions, answering technical and procedural questions for less experienced team members, teaching improved processes, and mentoring team members.
- Achieves and exceeds sales targets by developing and executing effective strategies.
- Expands business opportunities by identifying prospects, evaluating their position in the industry, and researching and analyzing sales options.
- Develop and implement strategies to increase market share.
- Monitor competitor activities and adjust strategies to ensure the company maintains its competitive advantage in the market.
- Establish long-term business goals and develop plans to achieve them.

**Allowances:**

- Company Fleet card
- Provident fund
- Group Insurance
- Social Insurance, Uniform
- Dental care and glasses care
- Bonus
