募集要項

Job contents:

- o Capable of driving outcomes independently, without the need for guidance or supervision.
- o A highly effective communicator who can lead cross-functional teams to complete projects with the highest level of quality.
- o Proactive in planning ahead and diligently managing risks before they escalate into issues.
- o Skilled across all project management disciplines, including scheduling, risk and issue management, action tracking, stakeholder engagement, and financial oversight.
- o Strong negotiation and influencing skills, particularly in customer

interactions.

- o Capable of producing high-quality status reports that drive actions, outcomes, and informed decision-making.
- o Available to work in Japan hours, starting at 9 AM JST, and attend monthly executive meetings, which may require earlier start times.
- o Efficient in managing remote resources, with the flexibility to travel to Japan or India for customer visits as needed.
- o Collaborates effectively with architects, engineers, and developers to execute project plans and schedules while leading customer meetings, including kick-offs, weekly updates, and ad-hoc sessions.
- o Able to track progress accurately, identify risks and blockers, and implement mitigation plans to meet project timelines.
- o Coordinates with customers on lab testing resources and drives project progress.
- o Provides regular project status updates to management, customer department heads, and executives.

Qualifications:

- o Proven experience in managing PDI (Planning, Design, and Implementation) projects.
- o Fluent in English, with excellent verbal and written communication skills.
- o Proficiency in Japanese is a plus.
