### 募集要項

#### Company and Job Overview

Our client is a Japanese electronics company that is expanding their operations with a new startup in Malaysia this year. They are looking for a skilled and experience candidate, a strategic leader who can develop and execute comprehensive e-commerce strategies to enhance the brand visibility and drive growth.

(Office Location: Puchong, Selangor)

#### Job Responsibilities

- Lead the development and implementation of e-commerce strategies to achieve business objectives.
- Optimize the customer experience across all online platforms to ensure a seamless and engaging journey.
- Identify and capitalize on growth opportunities in the dynamic online marketplace.

- Collaborate with cross-functional teams to align e-commerce initiatives with overall business goals.
- Monitor and analyze performance metrics to continuously improve and refine strategies.

#### Job Requirements

- Proven experience in e-commerce management, preferably within the electronics industry.
- Strong strategic thinking and problem-solving skills.
- Excellent understanding of digital marketing and customer experience optimization.
- Ability to thrive in a fast-paced, startup environment and adapt to changing priorities.
- Only Malaysian citizens are considered at this time
