## Client Details

Our client is a large organisation in the clothing industry. The company is based in the center of Tokyo and known for their high-quality products and commitment to employee satisfaction.

## Description

- Manage and oversee all aspects of the accounting functions including accounts receivables, payables, and cash flow management.
- Communicate with banks to facilitate operations and manage credit controls.
- Prepare and present annual balance sheet/cash flow budgets and forecasts.

- Perform forecast-actual analysis to identify variances and recommend corrective actions.
- Ensure compliance with accounting policies and regulatory requirements.
- Assist in the development of financial goals and objectives.
- Contribute to the development and review of annual operating budgets and performance projections.
- Maintain professional and technical knowledge by attending educational workshops, reviewing professional publications, and participating in professional societies.

#### Job Offer

- A competitive salary range of approximately JPY 6,200,000 to JPY 8,000,000.
- A comprehensive benefits package including bonuses, insurance, retirement package, and product discounts.
- Scholarship system to improve your skills!
- A warm company culture with a strong emphasis on work-life balance and employee satisfaction.
- A permanent role in a reputable organisation within the apparel industry.
- The opportunity to work in our well-established office located in the middle of Tokyo.

If this sounds like the perfect fit for you, we encourage you to apply and look forward to exploring your potential as the next Senior Accountant in the Tokyo office.
