## 募集要項

We are seeking an FP&A Analyst/Coordinator to join our Accounting & Finance team. The successful candidate will leverage their skills to provide key financial insights that drive the company's strategic decisions, financial forecasts, and operating plans.

## Client Details

Our client is a leading player in the retail industry. Operating globally, it is a large organization that prides itself on high-quality products and exceptional customer service. With a strong presence in Tokyo, they have a committed team with a clear vision for the future.

## Description

- Provide financial consulting and strategic support to senior management including preparing board presentations, financial presentations, industry/peer group comparisons, new business opportunities, and other projects as requested.
- Analyze complex financial information and reports to provide accurate and timely financial recommendations to management for decision-making purposes.
- Develop financial models and analyses to support strategic initiatives.

- Support budget and forecasting activities.
- Collaborate with management on the development and execution of strategic plans.
- Liaise with the Accounting & Finance department on the financial strategy and its execution.
- Identify trends and developments in competitive environments and presents findings to senior management.
- Perform ad-hoc tasks related to the financial planning and analysis of the company.

#### Job Offer

- Comprehensive benefits package.
- A diverse and inclusive work environment.
- The opportunity to work with a dynamic team in the retail industry.
- A chance to develop and grow your career within a large organization.

We are excited to receive applications from passionate and hardworking individuals ready to take their career to the next level. Apply today to join our team in Tokyo.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Gleb Galiyev on +813 6832 8999.

---

#### スキル・資格

A successful FP&A Analyst/Coordinator should have:

- A degree in Finance, Accounting, or a related field.
- Prior experience in a similar role in the retail industry.
- Proficiency in financial modeling techniques.
- Strong fluency in English and Japanese.
- Strong analytical and decision-making skills.
- Excellent understanding of financial trends both within the company and general market patterns.
- Proficiency in Microsoft Office applications, particularly MS Excel.
