### 募集要項

#### Company:

Logistics & Transport Company

#### Job Title:

Japanese Speaking Removal Manager

#### Job Description:

#### Main Job Responsibilities:

1. Management of Moving Operations:
  - Plan moves, schedule, and arrange materials to ensure smooth operations.
  - Assign and manage workers, monitoring the progress of operations.

- Provide moving services tailored to customer needs while maintaining quality.

1. Staff Guidance and Management:

- Guide moving staff and workers to support safe and efficient operations.
- Manage staff shifts and conduct training to improve staff skills.

1. Customer Relations:

- Meet with customers who have requested moves to confirm detailed needs and requests.
- Respond quickly to troubles or issues during moves to enhance customer satisfaction.

1. Budget Management and Cost Control:

- Manage the budget for moving operations and optimize costs.
- Manage expenses for materials and staff, ensuring operations are executed within budget.

1. Improvement and Efficiency of Operations:

- Propose improvements to work flows and processes to achieve efficient operations.
- Introduce new tools and technologies to improve operations, aiming for cost reduction and increased work efficiency.

1. Quality Control and Safety Management:

- Monitor to ensure moving operations are carried out safely and comply with labor safety regulations.
- Maintain high work quality and improve service quality based on customer feedback.

Required Skills and Qualifications:

- Experience in the Moving Industry: Experience in the moving or logistics industry is necessary.
- Management Skills: Ability to manage teams and coordinate multiple tasks simultaneously is required.
- Communication Skills: Excellent communication skills are necessary for customer relations and staff coordination.
- Problem-solving Ability: Ability to quickly respond to and resolve troubles or issues during moves is required.
- Planning Ability: Proficiency in efficient operation progression and schedule management is sought.
