募集要項

We are seeking a dedicated TA & HRBP to join our Human Resources department. The ideal candidate will be experienced in the Industrial / IT sector, capable of managing and developing talent acquisition strategies, and acting as a business partner within the organization.

Client Details

Our client is a large organization in the Industrial / Manufacturing sector. Known for their innovative approach to creating quality products, they place a strong emphasis on fostering a supportive work environment that encourages growth and development.

Description

- Experience in in-house recruitment during company growth/expansion phases
- Proven track record in engineer recruitment
- End-to-end recruitment management from strategy development to execution

Job Offer

- An estimated salary range of JPY 1,080,000 to JPY 1,320,000.
- A permanent position in a leading company in the Industrial / Manufacturing sector.
- A supportive work environment that values employee growth and development.

We invite qualified candidates to apply for this exciting opportunity. Join our team and be a part of a company that is at the forefront of the Industrial / Manufacturing sector.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Momo Liu on +81 3 6832 8692.

スキル・資格

A successful TA & HRBP should have:

- Experience in a TA & HRBP role, preferably within the Industrial / IT industry.
- Excellent communication and leadership skills.
- Ability to develop strong relationships with all levels of the organization.
