## 募集要項

As Marketing Director, you will shape and execute Japan's marketing strategy for surgical vision solutions. Leading a team of 20, you will oversee GTM execution, portfolio management, and digital transformation to drive business growth.

## Client Details

Our client is a global medtech leader ranking #1/#2 in Japan's ophthalmic surgical market. With strong business prospects

driven by Japan's aging population, they are committed to advancing surgical vision care through innovation and digital transformation.

### Description

- Lead marketing strategy, GTM execution, and product portfolio management.
- Drive brand positioning, customer engagement, and industry collaborations.
- Manage a team of 20, fostering innovation and digital adoption.
- Collaborate closely with APAC leadership and the Japan President.

### Job Offer

???? Competitive salary package (attractive base + bonus).

???? Hybrid work flexibility in Tokyo.

???? Strategic leadership role in a growing market.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Sara Loh on +813 6832 8915.

---

### スキル・資格

- 5+ years of senior marketing leadership in medical devices or healthcare.
- Experience leading teams (10+ members) and driving GTM strategies.
- Strong understanding of Japan's healthcare system and work culture.
- Bilingual in Japanese & English, with global business exposure.
