募集要項

We are seeking a dedicated Finance Strategy & Transformation Consultant to join our team and provide expertise in accounting and finance systems. The successful candidate will be responsible for designing and implementing strategies to enhance financial operations and help to drive growth.

Client Details

Our client is a large organization within the professional services sector, renowned for its commitment to delivering high-quality service to its clients. They have a global presence, with offices in multiple countries, providing a broad range of services across various industries.

Description

- Develop and implement finance and accounting strategies to align with the company's goals.
- Identify areas of improvement in financial systems and propose solutions.
- Work closely with the accounting and finance team to ensure accurate financial reporting.
- Provide insights and recommendations to senior management based on financial analysis.
- Manage and oversee finance-related projects within the organization.
- Collaborate with other departments to ensure financial strategies are integrated across the company.

- Keep up-to-date with industry trends and changes in regulations.
- Provide training and support to staff on new financial systems and processes.

Job Offer

- Competitive salary package
- Comprehensive benefits package.
- A supportive and collaborative work environment.
- Opportunities for professional growth and development.
- The chance to work in a well-established, international organization.

We encourage all interested applicants who believe they can contribute positively to our team to apply. This is a fantastic opportunity to further your career in a dynamic and professional setting.

To apply online please click the 'Apply' button below. For a confidential discussion about this role please contact Hai Le at +81 3 6832 8623.

スキル・資格

A successful 'Finance Strategy & Transformation Consultant' should have:

- High proficiency in Japanese and business English
- A degree in Finance, Accounting, or a related field.
- Strong knowledge of financial systems and processes.
- Excellent analytical and problem-solving skills.
- Proficient in MS Office and familiar with accounting software.
- Strong communication skills, both verbal and written in English and Japanese.
- Ability to handle multiple projects simultaneously and meet deadlines.
