募集要項

Guide clients through the bespoke car design journey, transforming their ideas into stunning, tailor-made vehicles. Leverage your design expertise and product knowledge to deliver personalized, high-end automotive experiences.

Client Details

This company is a globally recognized name in the luxury automotive world, celebrated for its design excellence, heritage, and commitment to innovation.

Joining this organization means being part of an elite team that continually pushes boundaries and delivers best-in-class craftsmanship for an international clientele.

Description

- Support clients through the full design and customization process, particularly in Atelier and Tailor Made projects.
- Provide expert consultation on materials, finishes, and configurations, ensuring alignment with the client's vision.
- Maintain updated knowledge of product lines and global design trends.

- Collaborate with internal teams to coordinate production, logistics, and related events.
- Build lasting relationships with clients, ensuring a premium, personalized experience.
- Liaise regularly with global HQ for training and updates on new materials and design catalogues.
- Analyze market feedback and dealer performance to provide strategic input for continuous improvement.

Job Offer

- Join an internationally admired brand at the forefront of automotive design.
- Engage in creative, high-impact work with direct client interaction.
- Competitive compensation and professional development opportunities.
- Exposure to global luxury markets and close collaboration with international headquarters.
