## 会社説明

Propel Consulting is an Executive Search Company based in Tokyo. We specialize in providing international businesses with bilingual executives and mid-level professionals.

Our team of experienced consultants collaborates to identify and service the unique needs of candidates and clients across a wide range of industries. We achieve excellence by developing creative solutions that utilize our broad-reaching networks, technology-based tools, and relevant expertise.

Our innovative approach ensures that we can introduce the best candidates to our clients and the best opportunities to our candidates.

We have helped numerous professionals to join some of the leading international companies in Japan. Our experience enables us to provide candidates with the best opportunities available in their industry.

We will also provide help and support throughout the entire process including interview advice, resume tips, compensation negotiation and helping you to resign from your present position.
